Chairperson, Hispanics For Better Education  
And member of English For The Children

**HISPANICS FOR BETTER EDUCATION AND ENGLISH FOR THE  
CHILDREN ANNOUNCE AN AWARD PRESENTATION FOR  
STATE SUPERINTENDENT TOM HORNE**

After the Superintendent of Public Instruction, Tom Horne was denied an award from the U.S. Hispanic Chamber of Commerce Foundation back in March 2004, two Arizona organizations, Hispanics for Better Education and English for the Children today will honor and award the Superintendent for his leadership in promoting quality education for all students, especially Latino students.

The two organizations expect more people to attend their reception than the 25 people who showed up for the U.S. Hispanic Chamber of Commerce Foundation Conference on March 6.

“Tom Horne has made a tremendous difference in the lives of Hispanic children in Arizona. His decisions as Superintendent and his enforcement of Prop. 203 have provided Hispanic children with opportunities for advancement that have not been available in the past,” said Norma Alvarez, Hispanics for Better Education.
